

IMRF

International Multisensory Research Forum

ULM 2022

	04.07.		05.07.		06.07.		07.07.		
	Room Danube	Room Lago	Room Danube	Room Lago	Room Danube	Room Lago	Room Danube	Room Lago	
8:30									
8:45									
9:00			Session 1: Multisensory Recalibration	Posters on display 2 & 3	Session 5: Multisensory Concepts	Posters on display 4 & 5	Session 9: Body / Action	Session 10: Tactile	
9:15					Spotlight Talk: D. Maurer				
9:30									
9:45									
10:00			Break		Break		Break		
10:15	Registration		Session 2: Atypical / Deprivation	Posters on display 2 & 3	Session 6: Chemical & Pain	Posters on display 4 & 5	Symposium 7: Multisensory Processing in Autism	Symposium 8: Neural Modelling of Multisensory Integration	
10:30									
10:45									
11:00									
11:15									
11:30	Opening Remarks		Poster Session 2		Poster Session 4		Break		
11:45									
12:00	Symposium 1: Multisensory development: localisation, learning and sensory loss		Symposium 2: Auditory influences on low-level vision		Lunch		Symposium 9: Deafness and blindness as insights into cognition	Symposium 10: The non-veridical perception of touch	
12:15									
12:30	Symposium 3: Dynamics and rehabilitative power of multisensory plasticity		Symposium 4: Twenty years of the Sound Induced Flash Illusion: What have we learnt?		Lunch				
12:45									
13:00	Break		Session 3: The Multisensory Brain	Posters on display 2 & 3	Session 7: Multisensory Development	Posters on display 4 & 5	Closing & Business Meeting		
13:15									
13:30	Break								
13:45									
14:00	Symposium 5: (A)typical Multisensory Processing		Symposium 6: New insights on multi-sensory brain organization from MVPA to high field fMRI		Break				
14:15									
14:30	Break		Session 4: Time, Space and Motion	Posters on display 2 & 3	Session 8: Vestibular / Self-Motion	Posters on display 4 & 5			
14:45									
15:00	Break								
15:15									
15:30	Break		Session 4: Time, Space and Motion	Posters on display 2 & 3	Session 8: Vestibular / Self-Motion	Posters on display 4 & 5			
15:45									
16:00	Break								
16:15									
16:30	Break		Session 4: Time, Space and Motion	Posters on display 2 & 3	Session 8: Vestibular / Self-Motion	Posters on display 4 & 5			
16:45									
17:00	Break								
17:15									
17:30	Break								
17:45									
18:00	Keynote 1: Burr: The <i>number sense</i> : generalized across space, time, sensory modality, and action		Keynote 2: Grothe: The Spatial Representations of Sounds		Keynote 3: Schmidt: Interacting with Intelligent Systems				
18:15	Keynote 1: Burr: The <i>number sense</i> : generalized across space, time, sensory modality, and action		Keynote 2: Grothe: The Spatial Representations of Sounds		Keynote 3: Schmidt: Interacting with Intelligent Systems				
18:30									
18:45	Keynote 1: Burr: The <i>number sense</i> : generalized across space, time, sensory modality, and action		Keynote 2: Grothe: The Spatial Representations of Sounds		Keynote 3: Schmidt: Interacting with Intelligent Systems				
19:00									
19:15	Poster Session 1								
19:30									
19:45	Poster Session 1								
20:00									
20:15	Reception		Leisure Time		Conference Dinner (open end)				
20:30									
20:45	Reception		Leisure Time		Conference Dinner (open end)				
21:00									
21:15	Reception		Leisure Time		Conference Dinner (open end)				
21:30									
21:45	Reception		Leisure Time		Conference Dinner (open end)				
22:00									
22:15	Reception		Leisure Time		Conference Dinner (open end)				
22:30									
22:45	Reception		Leisure Time		Conference Dinner (open end)				
23:00									
23:15	Reception		Leisure Time		Conference Dinner (open end)				
23:30									
23:45	Reception		Leisure Time		Conference Dinner (open end)				
23:59									
0:00	Reception		Leisure Time		Conference Dinner (open end)				

PROGRAM
